- The Blade Bank is the safest and most convenient way to correctly dispose of used razor blades.
- When utilized throughout the workplace the Blade Banks eliminate the potential liabilities and safety risks caused by loose blades.
- This key component of the Safety First System keeps blades out the reach of customers, off of the ground, out of rubbish bags and all other potentially hazardous locations.
- By pairing one of PHC's Blade Dispensers (SPD-017, QBD-324, or QBD-379) to the front of the Blade Bank, you create a convenient blade change station that will increase safety and efficiency
